

Complete Physical Therapy is Growing!

Pelvic Floor/Orthopedic Physical Therapist

Complete Physical Therapy is a privately owned outpatient physical therapy clinic located in Casper, Wyoming. Casper is home to a Blue Ribbon Trout stream, world class rock climbing and X-C Skiing, and an ever-growing outdoor trails system. If you like being outside it's a wonderful place to be.

Complete Physical Therapy is looking to hire a full time Pelvic Health Physical Therapist to meet the demands of our growing clinic. We treat all pelvic floor, women's and men's health-related conditions for all age ranges as well as orthopedics.

It's important to note we have a strong emphasis on continuing education including therapist mentorship. We offer a robust continuing education package and are a family owned private company

Mon-Fri Autonomous schedule to fit your needs and lifestyle. We are a life-first work culture.

We are looking to hire an energetic and passionate therapist who provides evidence based care with high attention to detail. A candidate must have excellent communication skills, have a growth mindset, will ensure their patients succeed and get back to life. In addition a candidate must have strong manual therapy skills and desire to learn.
